Transmission Customers:

I am honored to serve as the facilitator for the Southeastern Transmission Planning Summit hosted by Alabama Electric Cooperative, Dalton Utilities, Georgia Transmission Corporation, Municipal Electric Authority of Georgia, South Mississippi Electric Power Association, and Southern Company Transmission. This Summit will be held on November 7, 2007, at the Hilton Atlanta Airport, Grand Promenade, and you are cordially invited to attend. Stakeholders are also invited to gain knowledge and a better understanding of the 2007 Economic Planning Sensitivities performed for the Southeastern Region RPSG. An overview of the Southeastern Region, Regional Planning Process with planned enhancements of the process will also be presented.

The agenda along with other documents to be presented at the 2007 Southeastern Transmission Planning Summit will be made available at the following web sites approximately one week prior to the meeting:
